PROCLAMATION

Daffodil Month

WHEREAS: People in our community have been directly affected by cancer and share a strong bond with others who experience this disease.

The Canadian Cancer Society is proud to be a champion and voice for Canadians who care about cancer and is committed to uniting and inspiring Canadians to take control of cancer.

Through Daffodil Month, funds are raised to invest in research that will change the future of cancer and a support system that makes life better for those affected by cancer.

Many Canadian Cancer Society volunteers in Brampton and local donors are part of a collective of people united by the same goals, helping people live longer and improving the lives and experiences of those affected by cancer.

The daffodil is the symbol of strength, courage, and life for those living with cancer and for local people to rally around by donating, proudly wearing a daffodil pin, buying a digital daffodil in honour or memory of a loved one, or volunteering.

THEREFORE: I, Mayor Patrick Brown, on behalf of Brampton City Council, do hereby proclaim April 2024 as “Daffodil Month” in the City of Brampton.

Mayor Patrick Brown, City of Brampton
