

## **Notes:**

### **General**

Fees may have rounding treatments.

H.S.T. is not included in the following fees. Some recreation programs for children and inclusive programs may be H.S.T. exempt.

### **Recreation and Culture**

Recreation and Culture fees have been condensed to improve presentation and readability.

Programs Fees presented are generally the Brampton resident program/course fee and a sample length that represent the fee for a Program Fee Description.

All program fees are pro-rated for course lengths that differ from the course length presented.

Non-resident fees when not presented are calculated using the following:

A surcharge fee of 25% per person, per program, up to a maximum of \$50 per person, per program, per session, will be added to the registration fee of all non-residents. Non-residents do not qualify for special discounts. Proof of residency may be requested at time of registration. For the purposes of this section, City of Brampton ratepayers are considered residents.

Non-resident and For Profit rental fees are calculated as 125% of the Brampton resident fee.

Adult 55+ Discounts when not presented are calculated using the following:

Adults 55 years of age and over are entitled to a 25% discount on all registered programs in this guide, with the exception of programs offered at the Flower City Seniors Centre. Proof of age may be required. Material fees, if applicable, are payable at the full rate. Fitness and other memberships are calculated with a 35% discount.

Family Discounts are not presented and are calculated using the following:

Register three or more children (17 years of age and under) from the same family at the same time, in the same session and receive a 10% discount. Restrictions may apply.

Abbreviations have been utilized where appropriate to save space for readability and presentation appearance. Below is a table of frequently used abbreviations:
