**A MESSAGE FROM PREMIER DOUG FORD**

Warm greetings to everyone celebrating the City of Brampton's 50<sup>th</sup> Birthday. Congratulations on marking half a century of progress!

Brampton has come a long way from being the Flower Town of Canada and an economic centre for the largely agricultural surrounding areas. Today, it is a cosmopolitan city, with a strong and diverse economy that comprises advanced manufacturing, food and beverage, and health and life sciences, to name just a few sectors.

A great province is the sum of its communities. Our government will continue to strengthen our relationship with all municipalities to ensure a strong, vibrant and dynamic economy for present and future generations.

May the years ahead bring further accomplishments. Happy Anniversary!
